

Conversation Starters: Elementary & Middle School

Looking for a way to engage in conversations with your kids? Use these conversation starters for a fun way to get everyone talking.

When children are young, appropriate conversation starters might be questions about their world, such as:

- What's the best and worst thing that happened today?
- What's your favorite place in the house to hang out?
- If you were in charge of the music for our family vacation, which songs would you pick?
- Which TV family is the most fun to watch?
- What do you like about your friends?
- What's your favorite amusement park? What's your favorite ride?
- What's your favorite smell?
- If you could have a wild animal from anywhere in the world as a pet, what animal would you choose?
- What's the greatest invention of all time?
- Using one word, how would you describe your family?
- What do you want to be when you grow up?
- What do you most like to do with the family?
